

This Week at the Oasis

From the Desk of Pastor David

Our high school youth had a blast at **Centrifuge** in Glorieta, New Mexico last week. Each day they participated in Bible study, worship (twice a day), recreation, optional tracks (like high ropes, hiking, jewelry making, etc.), night life and devotions with our group. Glorieta Conference Center was gorgeous and the Fuge staff were well-prepared. Our youth grew closer to God and to one another in what turned out to be a pretty intense week. We're pretty excited about the direction of our youth with *Alpha* just around the corner (Our high school youth plan to deliver Alpha to our middle school youth as a team). God is moving...

Later this week my brother Mark will fly to Tucson and stay with us a few days while he gives our **web site** a complete makeover. He has already made a great deal of progress on the new site and we hope to unveil it soon. You will have an opportunity to meet him this Sunday. I'm excited to host Mark a few days and I'm also thrilled that we can finally revamp our web presence.

In two weeks our home churches will begin part three of our four-part mentoring path: **The Missional Life**. This is a four-week course that I designed to equip us to naturally and effectively share our faith. I'm enthusiastic about taking our entire congregation through this course for the first time! My prayer is that God will use the Oasis to change Tucson and the world!

As I mention each week, we continue to explore available **property** in our area. After fourteen years, we believe God is finally leading us to take the huge step of acquiring our own piece of ground. Keep praying that we will find the right location, settle on the right price, and ask God to generously provide the resources to make the purchase. I'll keep you posted as information becomes available.
