

## This Week at the Oasis

### From the Desk of Pastor David

This week most of our home churches begin the four-week course, **The Missional Life**. Three home churches will begin next week because of scheduling conflicts, but they won't be far behind. *The Missional Life* will equip us to share our faith naturally and effectively with the people God places in our path – at work, at school, in our neighborhood, at home and in our other networks. I'm excited about what God will do as we begin noticing people, praying for them, asking them good questions and offering our hearts. I believe that God will use this course to lead our friends and family into His eternal Kingdom. So, please pray with me for a spiritual awakening in our relational networks!

On Sunday, August 14, we will enjoy a Mexican potluck after our worship service and celebrate our **Sunday Gathering teams**. We will also set aside a few minutes for each team to meet, including our worship team, setup team, nursery team, junior church team, hospitality team and greeter team. If you are currently serving on a Sunday Gathering team, this banquet is for you. And if you are not currently serving on a team, but are willing to find out more about serving on one, this banquet is for you, too. Please contact Hope about what to bring!

Mark your calendar for the **Alpha Banquet** on Thursday evening, September 1. We're still finalizing details, but we want you to reserve the date so that you can begin praying about whom you would like to invite. This is a great opportunity to invite unchurched friends to explore the Christian faith. After the banquet, we'll host three separate Alpha courses – one on Sunday evenings, one on Wednesday evenings, and perhaps a third course designed for college students on Thursday evenings. Our youth (middle & high school) will launch Alpha on Sunday, September 11. Alpha marks the beginning of our 18-month mentoring path, so this is a perfect time to consider starting or joining a new home church! Our one-day seminar on leading home churches (*How to Make an Impact*) is scheduled for Saturday, September 10.
